In light of the recent lifting of the state-mandated facial mask requirement, VCAM is working to develop a transition plan for resuming services in-house. Until that time, we will continue the drive up/drive thru mode of operation & still require facial masks for those requesting VCAM services. We appreciate everyone's cooperation & understanding in this matter.

Our mode of operation, in place since last March & perfected (in our eyes, anyway) to its current state, has been a credit to the core of volunteers who work the "front lines" of service & have tolerated the constantly changing elements (seasons). The drive up/drive thru has worked for reasons, two-fold: not only for the physical safety of the volunteers & the clients, but also to adapt to the dramatic drop in volunteer numbers. The reduction of volunteer forces has affected numerous if not all non-profit agencies & VCAM is no exception.

VCAM survived the "freeze week" w/ no damages to the facility, but the loss of water prevented our operation for the majority of the weekdays, w/ the exception of the Friday. We were able to put together enough volunteers to man the lines & provide services from 10 a.m. – noon. W/ the support of the Food Bank of the Golden Crescent, VCAM distributed food boxes & water to 150 families. What a show of support!

We are in the midst of the Easter Season & Lent will hopefully provide some time for reflection & sacrifice. Take time to breathe a sigh of deep relief, count the blessings & pray for our fellow man or woman.

Your support is always valued and very much appreciated...

*Marc*

Thanks so much for your generous donation of \$210 to VCAM.
