The Church Building and facility will be open to all Pre Covid Ministries. As we have stressed in the past, please respect the concerns of those around you as your groups gather to meet and return to the Building. As always, for the use of Luther Hall, please reserve this facility as World Renew is maintaining residence with us and use Luther Hall for their meals. World Renew uses a very small portion so I am sure sharing the space is not an issue. God's blessings to your ministries as you let your Hands be the tools of Gods Work.

My hopes are that all had a delightful Easter holiday. Please continue to exercise safe practices when socializing w/ family, friends & acquaintances.

The focus from last month for VCAM seemed to be the increase of the homeless clientele. While the numbers we serve for the homeless do vary, the spike upward may correlate w/ those no longer receiving rental assistance & now finding themselves on the streets.

For many, there is a fine line between having a roof over one's head & wondering where they will be able lay themselves down for the night. VCAM serves the homeless on a daily basis w/ perishable food items, clothing, toiletries & whatever the specific needs may be.

Please keep in your daily prayers, all who are suffering from this plight & that resources are made known & available to those in dire straits.

Your support is always valued and very much appreciated...

Marc
