To every one of you who organized the welcome lunch for my family and I on July 31st. We enjoyed eating together (and I wish we could do it more often!) and getting to know everyone better. Thank you for all the thoughtful, generous gifts that you showered us with. I pray the mail delivery works and that each of the gift givers received a thank you note from

me, I apologize for being a bit late with writing them. On a different note, I am delighted that our **8am service on Sunday** is serving those who are coming. It is a work in progress, and we are thankful for your feedback.

I wanted to extend an **invitation** to anyone **2nd grade and up**, who has not received **First Communion** yet, to be included in the upcoming class. So far, we have identified 5 young people in that age group, but we don't want to miss anyone. Please, let me know if you have a child in this age group and would like for them to receive instruction. My plan is to have a short meeting with families right after the 10:30 service in the Sanctuary on **September 18**. I hope to complete the instructional time with the children during the month of October and have them receive **First Communion on All Saints' Sunday, November 6**.

Very soon I would also like to begin the process of **receiving into the membership** of the church those who are interested (some of you have waited for a while to join). We are trying to secure transfers for our Lutheran new members, and I would like to start teaching a short new member class for our non-Lutheran brothers and sisters. Please, let me know if you are interested in joining or if you know of someone who is.

As Fall comes closer, I am so excited about our many educational opportunities coming up, please check out the special information in the newsletter, in the bulletins and in the Facebook group. **Sunday school** is about to start with classes for all ages, and **confirmation** is starting up, too. Please look for a letter that will be coming out soon to our confirmation families to announce the beginning of the classes.

I am very happy to be a part of growth in our church and cannot wait to see what God has in store for all of us. May God bless you all,

Pastor Ildikó Rigney
